

# The English Language Centre

[www.bath.ac.uk/elc](http://www.bath.ac.uk/elc)

The English Language Centre provides Academic English language classes and support for the University's international student population as well as a range of specialised courses for people intending to study at the University of Bath.

## Pre-Study Courses

- **Pre-sessional Courses**  
Five and ten week intensive pre-study preparation courses for students moving on to undergraduate and postgraduate courses at the University of Bath or other UK universities.
- **Pre-MBA/Pre-MSc Management**  
Four week preparation course (21 teaching days, August - September) for students enrolled on MBA and MSc in Management courses in the School of Management at the University of Bath.
- **English for University Study (EUS)**  
10 - 32 weeks: one, two or three term entry (October - June). Intensive preparation course for students intending to enrol on undergraduate and postgraduate courses at the University of Bath or other UK universities.
- **Pre-Masters in English for Business and Management (EBM)**  
10 - 32 weeks: one, two or three term entry (October - June). Intensive preparation course for students intending to enrol on postgraduate business and management courses at the University of Bath or other UK universities.
- **English Language and Culture**  
Two-week intensive General English courses (July - August).
- **IELTS Exam Preparation and Testing**  
The ELC is an official IELTS test-centre. IELTS tests are held at the University of Bath at least once a month.

## In-sessional Courses for registered students of the University of Bath

All international students are entitled to three hours per week of in-sessional classes, free of charge. These include:

- **Academic Writing:** develops students' essay-writing, report-writing and dissertation-writing skills.
- **Spoken English:** develops students' skills in giving presentations, listening to lectures and participating in seminars, and improves everyday English.
- **Reading and Vocabulary:** develops students' reading skills and helps to increase their general and subject-specific vocabulary.
- **English for Business:** develops Business students' spoken and written English using appropriate business materials.
- **Cambridge English Examination Classes:** prepare students for Cambridge First Certificate, Advanced English and Proficiency in English examinations.

## For students whose mother tongue is English

- **Effective Writing for Native Speakers of English:** develops students' essay writing skills and helps them raise the standard of their degree course work.
